

# **VAHYDROGW-VCPPM: 2018-2019 ANNUAL SIMULATION OF REPORTED AND TOTAL PERMITTED USE**

## ■ VCPM Adaptation

- 2013 Updated and adapted for DEQ use
  - 2003 -2012 data
  - RU and TP created
- 2015-16 RU and TP updated
- 2016 Addition of subsidence package
- 2016-17 RU and TP updated
- 2017-18 RU and TP updated
- 2018 – Framework updated
- 2019 – Recalibration
- 2018-19 RU and TP updated

## Simulated Potentiometric Contours Potomac Aquifer 2018 Reported Use Simulation

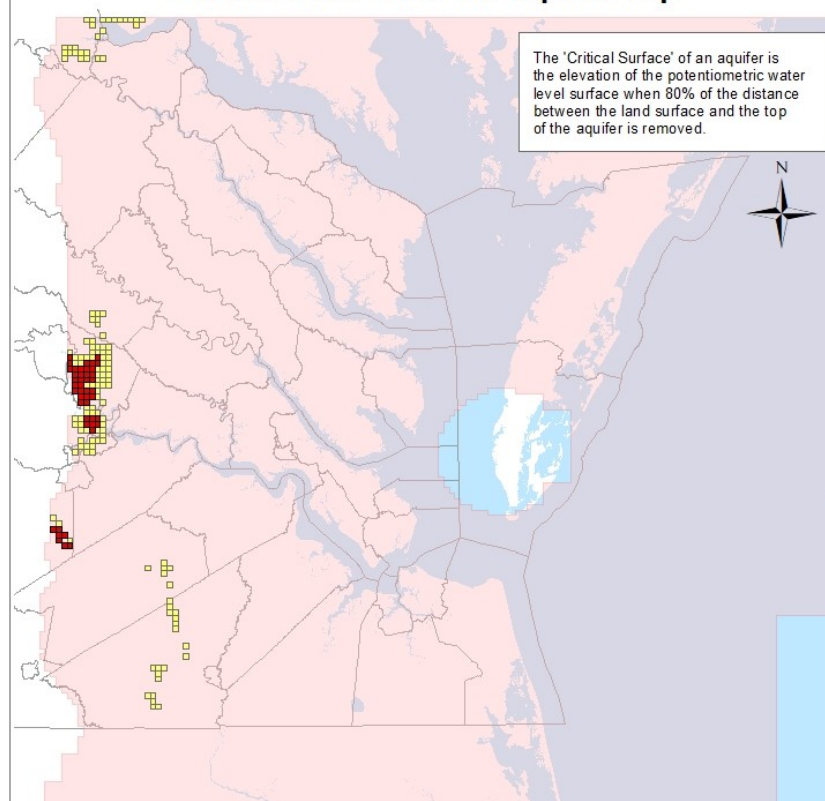

Contour elevations are in feet relative to mean sea level (msl) and at 40 ft intervals.

— Potentiometric Water Level Contours  
— Potomac Aquifer Model Boundary

0 15 30 60 Miles

Prepared by Aquaveo, LLC for the Virginia DEQ, Office of Water Supply November 2, 2019

## 2018 Reported Use Simulation - Potomac Aquifer Simulated Water Levels Below the Critical Surface and Below the Aquifer Top

The 'Critical Surface' of an aquifer is the elevation of the potentiometric water level surface when 80% of the distance between the land surface and the top of the aquifer is removed.

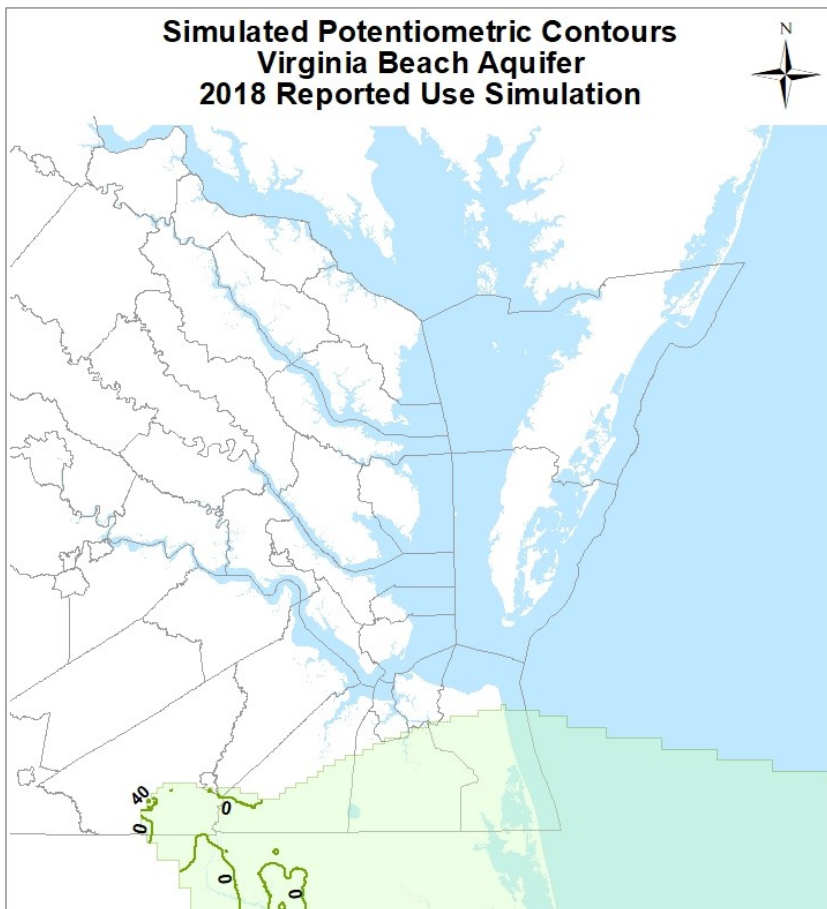

■ Cells that simulate water levels below the top of the aquifer  
■ Cells that simulate water levels below the Critical Surface  
— Potomac Aquifer Model Boundary

**Simulated Potentiometric Contours  
Yorktown-Eastover Aquifer  
2015 Total Permitted Simulation**

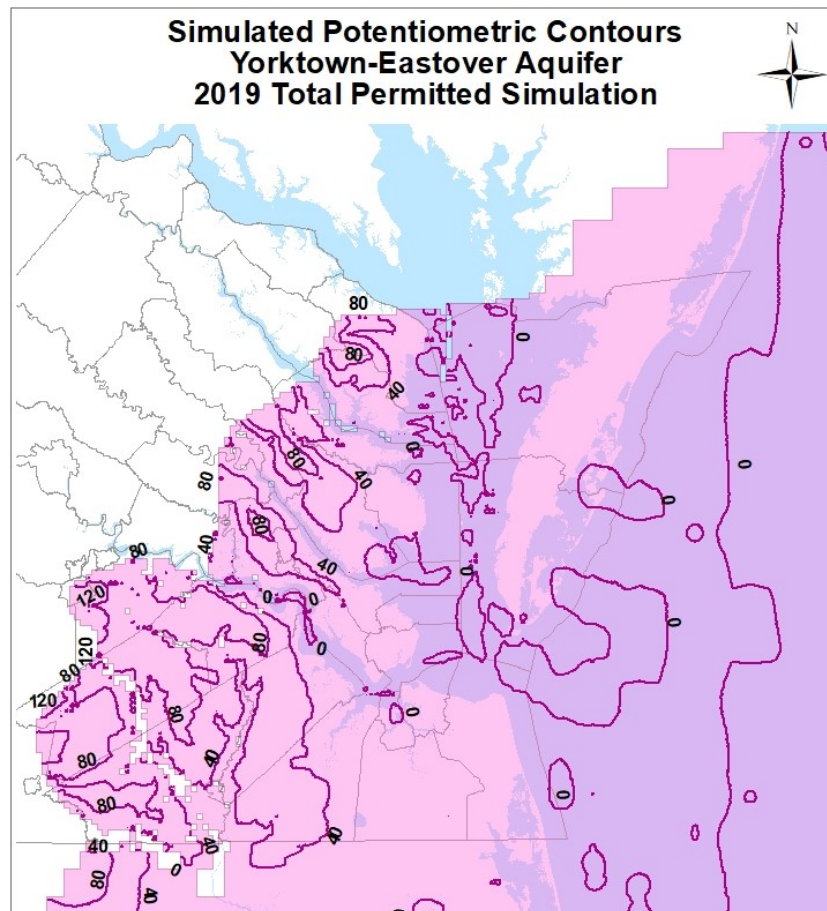

Contour elevations are in feet  
relative to mean sea level (msl)  
and at 40 ft intervals.

— Potentiometric Water Level Contours  
— Yorktown-Eastover Aquifer Model Boundary

**Simulated Potentiometric Contours  
Yorktown-Eastover Aquifer  
2019 Total Permitted Simulation**

Contour elevations are in feet  
relative to mean sea level (msl)  
and at 40 ft intervals.

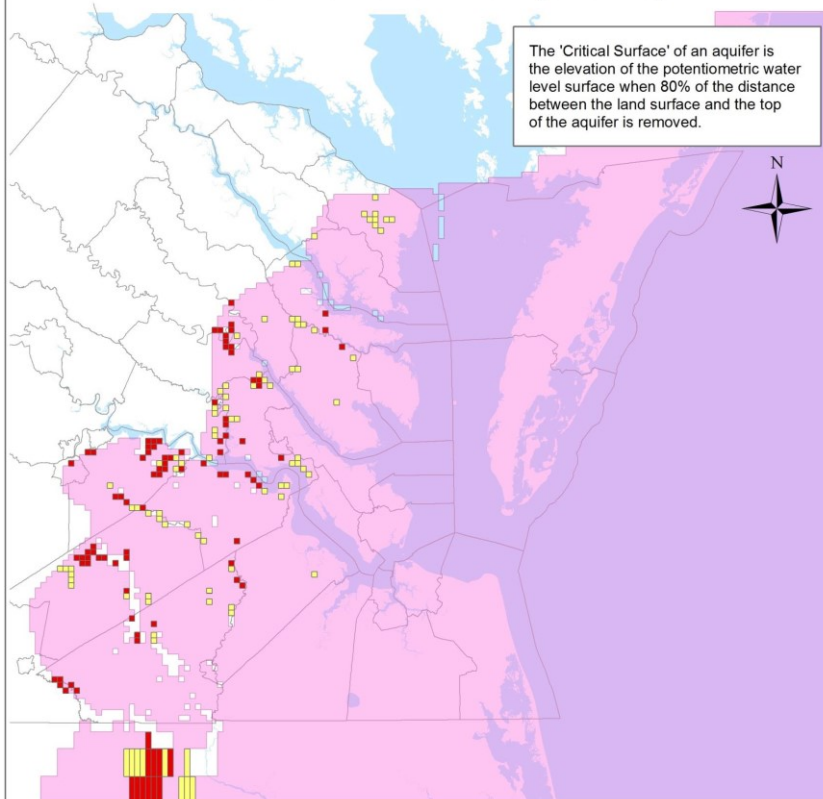

— Potentiometric Water Level Contours  
— Yorktown-Eastover Aquifer Model Boundary

## 2015 Total Permitted Simulation - Yorktown-Eastover Aquifer Simulated Water Levels Below the Critical Surface and Below the Aquifer Top

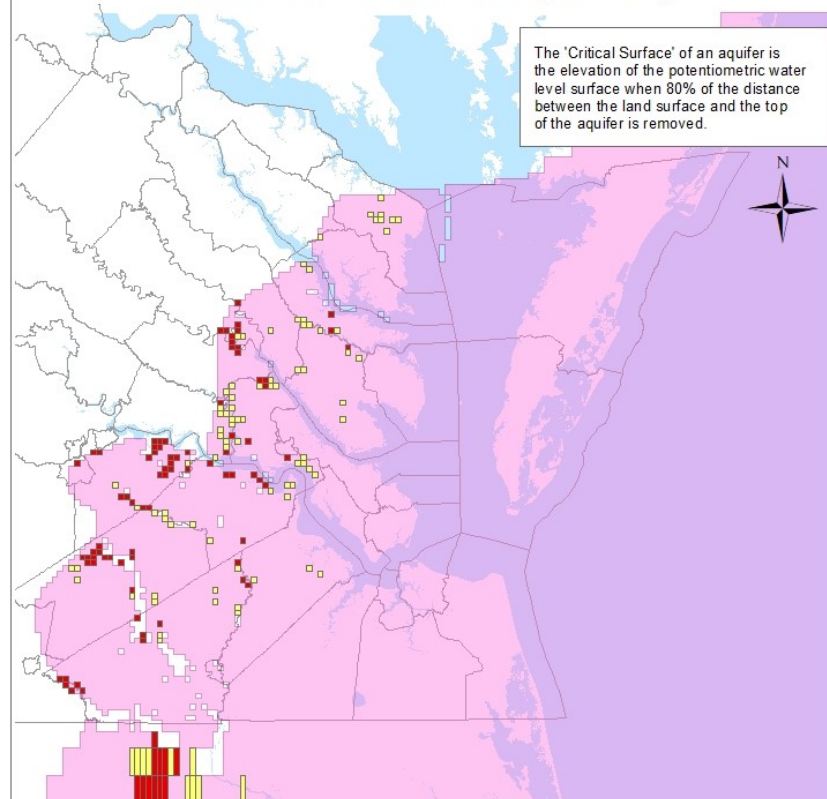

- Cells that simulate water levels below the top of the aquifer
- Cells that simulate water levels below the Critical Surface
- Yorktown-Eastover Aquifer Model Boundary
